Mr. Robert Douglas,

138th St. & 7th Ave.,  
New York City.

Dear Friend:

Eric gave me your message, asking if  
The Eagles could play The Cubans a ball  
game for The Elks at Randall Island  
July 20th.

We have our schedule made up and are  
playing The Cubans in Newark that day,  
however, we could play a week day, or even  
a Saturday. Ordinarily you don't expect  
to do much a week day, but maybe "The Elks"  
could put it over. If you are interested  
in this let me know as soon as possible.

Yours truly,

EM:CCJ

P. S. Eric has a copy of the schedule.
